Week-long Tuscan and Italian Cooking Course emphasize classic Tuscan or Italian dishes and are held in one of our luxurious villas, Casa Ombuto or Torre del Tartufo. More intensive week-long Mediterranean Cooking Courses are held in Casa Ombuto and will make you a virtuoso of the most popular cuisines around the Mediterranean sea.

For all courses the week includes a full day culinary excursion visiting wine estates, olive oil tasting, a cheese farm etc. You have ample free time to explore the Tuscan countryside during the week or enjoy the facilities of our wonderful villas.

So, get ready to chop and roll!
